Student Services Building, Room S120
Milwaukee, WI**

Citizens are encouraged to provide written or oral comments on the Task Force's Interim Report ([A Wisconsin Strategy for Reducing Global Warming](#)), policy templates under consideration by the Task Force and the progress made so far. Public comments will be considered by the Task Force while preparing final recommendations for Governor Doyle.

If the public cannot attend the input session, which will be held simultaneously by videoconference, but would like to provide comments, they can do so by emailing the Task Force at:
DNRGLOBALWARMTFCOMMENTS@wisconsin.gov.

Any person who needs specific accommodations to participate in the public input session should contact Amanda Wollin at (608) 266-9600 or Amanda.Wollin@psc.state.wi.us prior to March 19.

For more information about the Governor's Task Force on Global Warming, including a copy of the Interim Report, a list of members and documents developed by the Task Force Work Groups, please visit: <http://dnr.wi.gov/environmentprotect/gtfgw>.
